Delivering Excellence Since 2005

Founded in 2005 under the name **HAH Logistics**, our company began with a vision to provide reliable and transparent logistics and customs clearance solutions to Indian exporters and importers. With dedication, industry knowledge, and a client-first approach, the company rapidly earned the trust of businesses across multiple industries.

In 2007, the organization was formally incorporated as **HAH Logistics Pvt. As the company evolved and diversified its services, it was finally rebranded in 2012 as **Ishwar Logistics Pvt. Ltd.**, reflecting a stronger global identity and long-term vision.
